

FY03 Prostate Cancer Research Program

Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Experience of Principal Investigator	Key Mechanisms Element	Dollars Available	Submission Deadline
Postdoctoral Traineeship Awards	Recent doctoral graduates with 3 years or less of postdoctoral experience	<ul style="list-style-type: none"> • Prepares new scientists for careers in prostate cancer research • Preliminary data not required 	\$98,000 for direct and indirect costs for up to a 2-year performance period	April 16, 2003 5:00 p.m. (Eastern time)
Health Disparity Training – Prostate Scholar Awards	Predocutorial, Postdoctoral, and Postresidency	<ul style="list-style-type: none"> • Provides training opportunities to focus on the disparate burden of prostate cancer in African Americans 	\$90,000 for Predocutorial, \$147,000 for Postdoctoral, and \$300,000 for Postresidency Traineeships inclusive of direct and indirect costs for up to a 3-year performance period	April 16, 2003 5:00 p.m. (Eastern time)
Health Disparity Research – Prostate Scholar Awards	Assistant Professor or equivalent	<ul style="list-style-type: none"> • Supports researchers to focus on the disparate burden of prostate cancer in African Americans 	\$300,000 for direct costs for up to a 3-year performance period, plus indirect costs as appropriate	April 16, 2003 5:00 p.m. (Eastern time)
Exploration – Resource Development Awards	All levels of experience	<ul style="list-style-type: none"> • Supports product-driven research aimed at developing critical resources needed to advance the field of prostate cancer research • Resources may include, but are not limited to, development of animal models, cell lines, and reagents • Work must be exempt or expedited for human subject or specimens use 	\$75,000 for direct costs for up to an 18-month performance period, plus indirect costs as appropriate	April 16, 2003 5:00 p.m. (Eastern time)

FY03 Prostate Cancer Research Program

Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Experience of Principal Investigator	Key Mechanisms Element	Dollars Available	Submission Deadline
Exploration: – Hypothesis Development Awards	All levels of experience	<ul style="list-style-type: none"> • Supports initial exploration of innovative, untested, potentially groundbreaking concepts in prostate cancer • No preliminary data expected • Work must be exempt for human subject or specimens use 	\$75,000 for direct costs for up to an 18-month performance period, plus indirect costs as appropriate	April 16, 2003 5:00 p.m. (Eastern time)
New Investigator Awards	<ul style="list-style-type: none"> • Independent investigators within 6 years of last fellowship or postdoctoral position • Access to appropriate research facilities • No previous non-mentored awards in excess of \$100,000 in aggregate from extramural sources 	<ul style="list-style-type: none"> • Emphasis on innovative ideas and technology • Preliminary data not required 	\$225,000 for direct costs for up to a 3-year performance period, plus indirect costs as appropriate	April 16, 2003 5:00 p.m. (Eastern time)
Idea Development Awards	<ul style="list-style-type: none"> • Independent investigators at the level of Assistant Professor or equivalent or above • Established investigators in prostate cancer research or in other fields who want to pursue prostate cancer research 	<ul style="list-style-type: none"> • Emphasis on innovative ideas and technology • Preliminary data relevant to prostate cancer required • Seeking proposals across all areas of laboratory, clinical, behavioral, and epidemiological research, including clinical trials 	\$375,000 for direct costs for up to a 3-year performance period, plus indirect costs as appropriate	April 16, 2003 5:00 p.m. (Eastern time)

FY03 Prostate Cancer Research Program

Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Experience of Principal Investigator	Key Mechanisms Element	Dollars Available	Submission Deadline
Physician Research Training Awards	Physicians in the last year of graduate medical education or within 3 years of a faculty appointment	<ul style="list-style-type: none"> • Prepares physicians for careers in prostate cancer research through a mentored training experience in a laboratory or clinical setting • Requires 5-year commitment to prostate cancer research • Provides salary support to relieve applicants from academic or clinical responsibilities 	A maximum of \$700,000 inclusive of direct and indirect costs for up to a period of 5 years; including up to 60% of PI's salary and up to 50% of key support person's salary	June 18, 2003 5:00 p.m. (Eastern time)
HBCU Collaborative Partnership Award	Faculty member (with doctoral degree) working at an HBCU	<ul style="list-style-type: none"> • Fosters collaborations at an institutional level between an HBCU and another institution • Provides support for infrastructure and training for HBCU faculty with the goal of establishing a sustained prostate cancer research training program at the HBCU 	\$600,000 for direct costs for up to a 3-year performance period, plus indirect costs as appropriate	Pre-proposal deadline: April 3, 2003 5:00 p.m. (Eastern time) Full Proposal deadline: June 18, 2003 5:00 p.m. (Eastern time)
