

**Fiscal Year 2010 (FY10) Autism Research Program (ARP)
Reference Table of Award Mechanisms and Submission Requirements**

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Clinical Trial Award Go to:</p> <ul style="list-style-type: none"> • Program Announcement • Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-10-ARP-CTA</p>	<p>Investigators at or above the level of Assistant Professor (or equivalent)</p>	<ul style="list-style-type: none"> • Supports clinical trials relevant to Autism Spectrum Disorders (ASD) • Clinical trials focusing on the following areas are encouraged: <ul style="list-style-type: none"> ○ Pharmacological interventions addressing mechanisms identified in genetics studies ○ Complementary and alternative medicine ○ Psychosocial interventions for adolescents and adults • Preclinical data required, but may be from outside of the ASD research field 	<ul style="list-style-type: none"> • Maximum funding for the entire period of performance is \$1,000,000 for direct costs (plus indirect costs) • Maximum period of performance is 4 years 	<p>Pre-application (preproposal): March 31, 2010 5:00 p.m. Eastern time (ET)</p> <p>Pre-application is required; application submission is by invitation only.</p> <p>Application: July 28, 2010 11:59 p.m. ET</p>
<p>Idea Development Award Go to:</p> <ul style="list-style-type: none"> • Program Announcement • Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-10-ARP-IDA</p>	<p>Investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> • Supports the development of innovative, high-impact ideas that advance the understanding of ASD and that lead to improved outcomes • Applications in the following areas are encouraged: <ul style="list-style-type: none"> ○ Biological, infectious, or environmental risk factors ○ Identifying therapeutic targets, excluding new gene discovery • Preliminary data required, but may be from outside of the ASD research field • Clinical trials will not be supported • Multiple Principal Investigator (PI) option: Up to three investigators may collaborate on a single application, each of whom will be recognized as a PI and receive a separate award 	<ul style="list-style-type: none"> • Maximum funding for the entire period of performance is \$375,000 for direct costs (plus indirect costs) • For multiple PIs, the combined funding for all PIs for the entire period of performance may not exceed \$375,000 in direct costs • Maximum period of performance is 3 years 	<p>Pre-application (preproposal): March 31, 2010 5:00 p.m. ET</p> <p>Pre-application is required; application submission is by invitation only.</p> <p>Application: July 28, 2010 11:59 p.m. ET</p>

**Fiscal Year 2010 (FY10) Autism Research Program (ARP)
Reference Table of Award Mechanisms and Submission Requirements**

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Resource Development Award Go to:</p> <ul style="list-style-type: none"> • Program Announcement • Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-10-ARP-RDA</p>	<p>Investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> • Supports product-driven research aimed at developing tools for use by the ASD research or clinical communities • Preliminary data allowed but not required, and may be from outside of the ASD research field • Clinical trials will not be supported 	<ul style="list-style-type: none"> • Maximum funding for the entire period of performance is \$150,000 for direct costs (plus indirect costs) • Maximum period of performance is 2 years 	<p>Pre-application (preproposal): March 31, 2010 5:00 p.m. ET</p> <p>Pre-application is required; application submission is by invitation only.</p> <p>Application: July 28, 2010 11:59 p.m. ET</p>
<p>Exploration – Hypothesis Development Award Go to:</p> <ul style="list-style-type: none"> • Program Announcement • Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-10-ARP-EHDA</p>	<p>Investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> • Supports the initial exploration of innovative, untested questions or ideas that advance the understanding of ASD and lead to improved outcomes • Applications in the following areas are encouraged: <ul style="list-style-type: none"> ○ Biological, infectious, or environmental risk factors ○ Identifying therapeutic targets, excluding new gene discovery • Preliminary data is not allowed • Clinical trials will not be supported • Projects involving human subjects or human biological substances must be either exempt under Title 32, Code of Federal Regulations, Part 219, Section 101(b) (32 CFR 219.101(b)) or eligible for expedited review under 32 CFR 219.110 or 21 CFR 56.110 	<ul style="list-style-type: none"> • Maximum funding for the entire period of performance is \$100,000 for direct costs (plus indirect costs) • Maximum period of performance is 2 years 	<p>Pre-application (letter of intent): June 10, 2010 5:00 p.m. ET</p> <p>Application: July 1, 2010 11:59 p.m. ET</p>
