

***Fiscal Year 2022 (FY22) Department of Defense Peer Reviewed Alzheimer’s Research Program (PRARP)
Reference Table of Award Mechanisms and Submission Requirements***

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Accelerating Diagnostics Research Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRARP-ADRA</p>	<p>Independent investigators at or above the level of Assistant Professor (or equivalent).</p>	<ul style="list-style-type: none"> • Supports high-impact advancement of robust diagnostic and/or prognostic factors pertaining to Alzheimer’s disease/Alzheimer’s disease-related dementias (AD/ADRD) following military service and/or traumatic brain injury (TBI). • <i>Studies are required to prospectively recruit study participants.</i> • Community collaboration is required. • Preliminary data are required. • Animal research is prohibited. • Clinical trials are NOT allowed. • Applications must address the following FY22 PRARP Focus Area: <ul style="list-style-type: none"> – Diagnostic, environmental, and prognostic factors 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$2,500,000 for total costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 4 years. 	<p>Pre-Application (Letter of Intent): June 17, 2022 5:00 p.m. Eastern time</p> <p>Application: July 25, 2022 11:59 p.m. Eastern time</p>
<p>Investigator-Initiated Research Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRARP-IIRA</p>	<p>Single Principal Investigator (PI) Option Independent investigators at all academic levels (or equivalent).</p> <p>Early-Career Investigator Partnering PI Option The Early-Career Investigator PI must be an independent investigator within 10 years of their terminal degree by the time of the application submission deadline (excluding time spent in residence or on family medical leave) or new to the field.</p>	<ul style="list-style-type: none"> • Supports studies that will make important contributions to TBI and/or military-service-related factors as they pertain to AD/ADRD research, patient care, and quality of life. • Clinical trials are NOT allowed. • Community collaboration is required for projects involving clinical research. • Applications must address at least one of the following FY22 PRARP Focus Areas: <ul style="list-style-type: none"> – Individual, caregiver, and family support (<i>animal studies are NOT allowed for this Focus Area</i>) – Diagnostic, environmental, and prognostic factors – Foundational research 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$750,000 for total costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 3 years. 	<p>Pre-Application (Letter of Intent): June 17, 2022 5:00 p.m. Eastern time</p> <p>Application: July 25, 2022 11:59 p.m. Eastern time</p>

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Translational Research Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRARP-TRA</p>	<p>Independent investigators at or above the level of Assistant Professor (or equivalent).</p>	<ul style="list-style-type: none"> • Supports translational research that will accelerate the movement of promising products and knowledge in AD/ADRD research into clinical applications, including healthcare products and interventions, technologies, behavioral modalities, and/or clinical practice guidelines. • Supports both preclinical-to-clinical and clinical research-to-clinical care translation. • Clinical trials are NOT allowed. • Preliminary data are required. • Community collaboration is required for projects involving clinical research. • Applications must address at least one of the following FY22 PRARP Focus Areas: <ul style="list-style-type: none"> – Individual, caregiver, and family support (<i>animal studies are NOT allowed for this Focus Area</i>) – Diagnostic, environmental, and prognostic factors – Foundational research 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$1,200,000 for total costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 4 years. 	<p>Pre-Application (Letter of Intent): June 17, 2022 5:00 p.m. Eastern time</p> <p>Application: July 25, 2022 11:59 p.m. Eastern time</p>
