

***Fiscal Year 2024 Department of Defense Arthritis Research Program (ATRP)
Reference Table of Award Mechanisms and Submission Requirements***

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Clinical Research Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>HT942524ATRPCRA</p>	<p>Independent investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> • Supports clinical research that evaluates disease-specific factors and interventions. • Research supported by this mechanism is intended to generate clinically useful evidence with potential to optimize patient outcomes and inform clinical care or policy. • Preclinical and animal research are not allowed. • Preliminary and/or published data is required. • A Clinical Trial Option is available for applications proposing clinical trials. • Applications must address one of the following FY24 ATRP focus areas: <ul style="list-style-type: none"> • Prevention • Diagnosis and Progression Mitigation • Intervention/Treatment 	<ul style="list-style-type: none"> • Clinical Research Award: The maximum allowable funding for the entire period of performance is \$1.5M for total costs (direct plus indirect costs). • The maximum period of performance is 4 years. • Clinical Research Award - Clinical Trial Option: The maximum allowable funding for the entire period of performance is \$3.0M for total costs (direct plus indirect costs). • The maximum period of performance is 4 years. 	<p>Pre-Application (Letter of Intent): October 16, 2024 5:00 p.m. Eastern time</p> <p>Application: October 30, 2024 11:59 p.m. Eastern time</p>

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Focused Research Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>HT942524ATRPFA</p>	<p>Independent investigators at all academic levels (or equivalent)</p>	<ul style="list-style-type: none"> • Supports conceptually innovative, high-risk/potentially high-reward research that could ultimately lead to critical discoveries and/or improvements in patient care or quality of life for people impacted by arthritis. • Clinical research and clinical trials are not allowed. • Two research levels, based on the scope of research, are available: <ul style="list-style-type: none"> • Research Level 1: Supports exploratory, high-risk, high-reward research. Early career investigators are particularly encouraged to apply to this research level. • Research Level 2: Supports the advancement of preclinical research toward clinical translation. • Preliminary and/or published data is required for both levels. • Applications must address one of the following FY24 ATRP focus areas: <ul style="list-style-type: none"> • Prevention • Diagnosis and Progression Mitigation • Intervention/Treatment 	<ul style="list-style-type: none"> • Research Level 1: The maximum allowable funding for the entire period of performance is \$500,000 for total costs (direct plus indirect costs). • The maximum period of performance is 2 years. • Research Level 2: The maximum allowable funding for the entire period of performance is \$750,000 for total costs (direct plus indirect costs). • The maximum period of performance is 3 years. 	<p>Pre-Application (Letter of Intent): October 16, 2024 5:00 p.m. Eastern time</p> <p>Application: October 30, 2024 11:59 p.m. Eastern time</p>
