Fiscal Year 2024 (FY24) Department of Defense Peer Reviewed Cancer Research Program (PRCRP) Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
Career Development Award – Virtual Cancer Center Scholar Option Go to: • Program Announcement • General Application Instructions Grants.gov Funding Opportunity Number: <u>HT942524PRCRPCDASO</u>	Principal Investigator (PI): Independent investigators at or above the level of Assistant Professor or Instructor (or equivalent) on tenure track and within 7 years after completion of their terminal degree (excluding time spent in residency or on family medical leave) by the time of the application submission deadline. Career Guide: Investigators at or above the level of Associate Professor (or equivalent); must have a proven publication and funding record in cancer research.	 Letter of Intent is required. An invitation to submit a full application is <i>not</i> required. Supports the addition of new early-career investigators (Scholars) to the unique, interactive PRCRP Virtual Cancer Center focused on fostering the next generation of cancer researchers. The Scholars will be required to interact within the virtual cancer center and with the Virtual Cancer Center Director and Deputy Director. The Scholar Option provides intensive mentoring, national networking, and peer group for junior faculty. A Career Guide – an experienced cancer researcher with cancer funding – is required. The Career Guide is not required to be at the same institution as the Scholar. Must address at least one of the FY24 PRCRP Military Health Focus Areas. Must address at least one of the FY24 PRCRP Overarching Challenges. Preliminary data are not required. 	 The maximum allowable funding for the entire period of performance is \$800,000 for direct costs. Indirect costs may be proposed in accordance with the institution's negotiated rate agreement. The maximum period of performance is 4 years. 	Pre-Application (Letter of Intent): July 12, 2024 5:00 p.m. ET Application: July 26, 2024 11:59 p.m. ET
Idea Award Go to: • <u>Program Announcement</u> • <u>General Application</u> <u>Instructions</u> Grants.gov Funding Opportunity Number: <u>HT942524PRCRPIA</u>	Independent investigator with a faculty-level appointment (or equivalent). Each investigator may be named as the PI on only one FY24 Idea Award application. Investigators may be named as a collaborator on more than one application.	 Preproposal required; application submission is by <i>invitation only</i>. Supports innovative <i>basic research</i> that may introduce a new paradigm, challenge existing paradigms, look at existing problems from new perspectives, or exhibit other highly creative qualities. Emphasis on innovation. Must address at least one of the FY24 PRCRP Topic Areas. Must address at least one of the FY24 PRCRP Military Health Focus Areas. 	 The maximum allowable funding for the entire period of performance is \$400,000 for direct costs. Indirect costs may be proposed in accordance with the institution's negotiated rate agreement. The maximum period of performance is 2 years. 	Pre-Application (Preproposal): June 21, 2024 5:00 p.m. ET Application: September 26, 2024 11:59 p.m. ET

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
		 Must address at least one of the FY24 PRCRP Overarching Challenges. Preliminary data are not required. <i>Clinical trials are not allowed.</i> 		
Impact Award Go to: • Program Announcement • General Application Instructions Grants.gov Funding Opportunity Number: HT942524PRCRPIPA	Independent investigators at or above the level of Assistant Professor (or equivalent).	 Preproposal required; application submission is by <i>invitation only</i>. Supports hypothesis-driven, high-impact research. Supports mature research projects that specifically focus on critical scientific or clinical cancer issues and have the potential to make a major near-term impact. Must address at least one of the FY24 PRCRP Topic Areas. Must address at least one of the FY24 PRCRP Military Health Focus Areas. Must address at least one of the FY24 PRCRP Overarching Challenges. Preliminary data are required. <i>Clinical trials are allowed.</i> 	 The maximum allowable funding for the entire period of performance is \$1M for direct costs. Indirect costs may be proposed in accordance with the institution's negotiated rate agreement. The maximum period of performance is 3 years. 	Pre-Application (Preproposal): June 21, 2024 5:00 p.m. ET Application: September 26, 2024 11:59 p.m. ET
Patient Well-Being and Survivorship Award Go to: • Program Announcement • General Application Instructions Grants.gov Funding Opportunity Number: HT942524PRCRPPWSA	Independent investigator with a faculty-level appointment (or equivalent).	 Letter of Intent is required. An invitation to submit a full application is <i>not</i> required. Supports innovative research studies to advance studies in preservation of function (physical ability), quality of life, symptom management, resilience, relief from neurocognitive deficits, and support for psychosocial issues related to cancer diagnosis, treatment, and survivorship. Must address at least one of the FY24 PRCRP Topic Areas. Must address at least one of the FY24 PRCRP Military Health Focus Areas. Must address at least one of the FY24 PRCRP Overarching Challenges. Preliminary data are required. <i>Pilot clinical trials are allowed.</i> 	 The maximum allowable funding for the entire period of performance is \$1M for direct costs. Indirect costs may be proposed in accordance with the institution's negotiated rate agreement. The maximum period of performance is 4 years. 	Pre-Application (Letter of Intent): July 12, 2024 5:00 p.m. ET Application: July 26, 2024 11:59 p.m. ET
